HAIER

Haier H43K85FFX — User Manual

Haier 43 Inch FHD Bezel-Less Google TV (H43K85FFX)

In the box

- Television, voice remote, batteries, table-top stands, screws, quick start guide.

Key features

- Bezel-less design — almost all panel, from any seating angle
- Google TV with the full Play Store, not a cut-down app list
- Built-in Chromecast — cast from any phone without extra hardware
- Google Assistant voice remote
- Dolby Audio processing

Warranty

- 2 years on the panel, plus Haier nationwide on-site service for the first year.

Frequently asked questions

Is this 4K?

No, this model is Full HD (1920x1080). At 43 inches and normal viewing distance the difference from 4K is modest, and FHD content streams reliably on slower connections.

Does it need a separate Android box?

No. Google TV runs on the set itself with the Play Store included.

Is installation included?

Haier provides on-site installation and first-year service nationwide. ACI will pass your details on after delivery.

Demonstration document generated for the ACI Gadget storefront demonstration catalogue. Not a manufacturer publication.
